
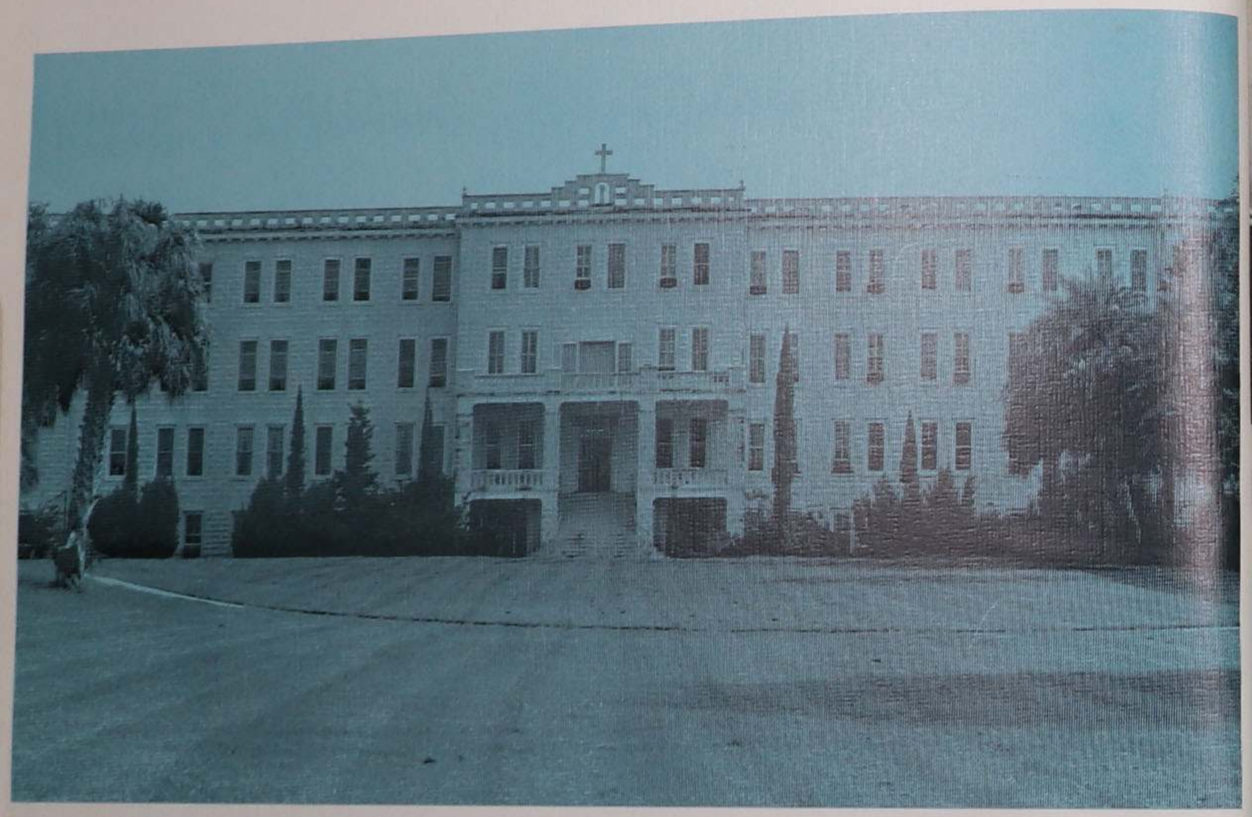
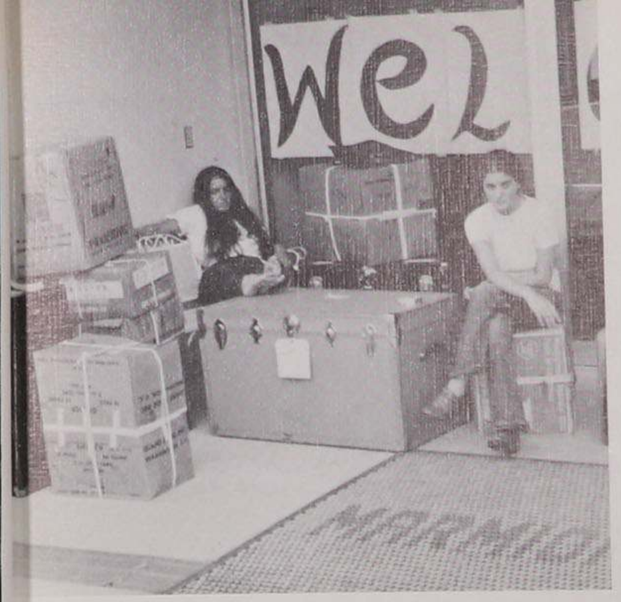
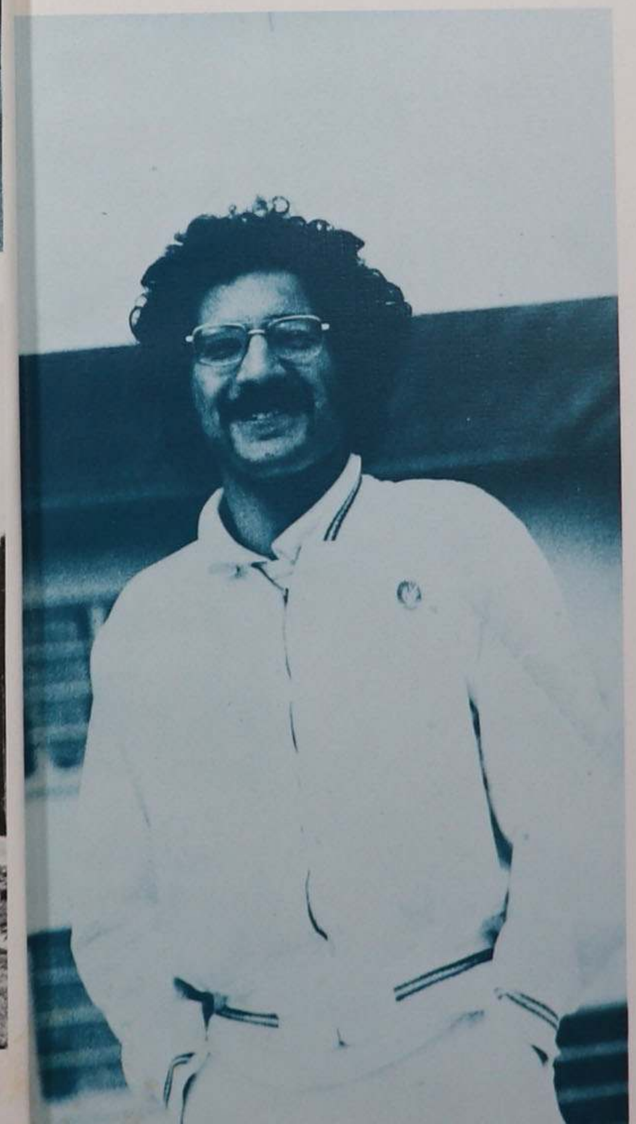
GOLDEN LEGEND 1973

SAINT LEO COLLEGE
SAINT LEO, FLORIDA

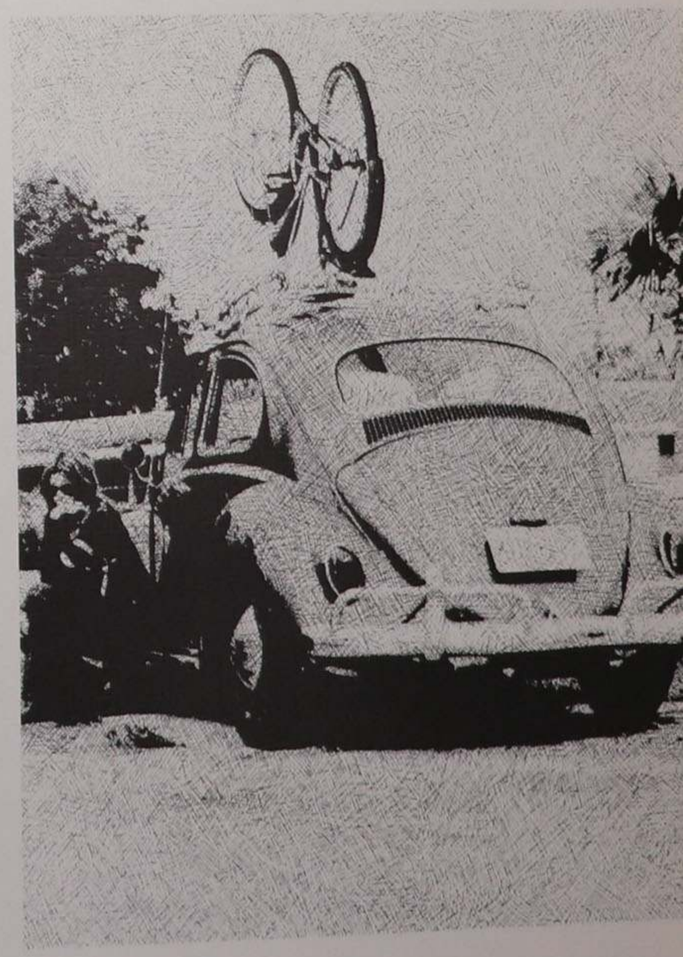
Cannon Memorial Library
Saint Leo University
Saint Leo, Florida 33574

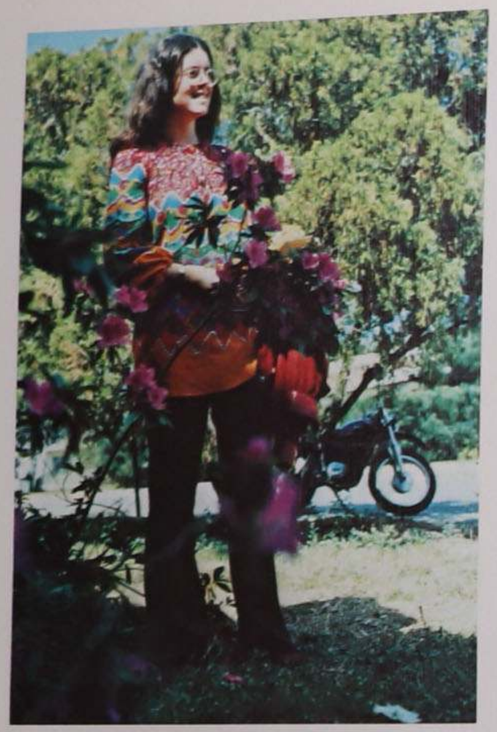


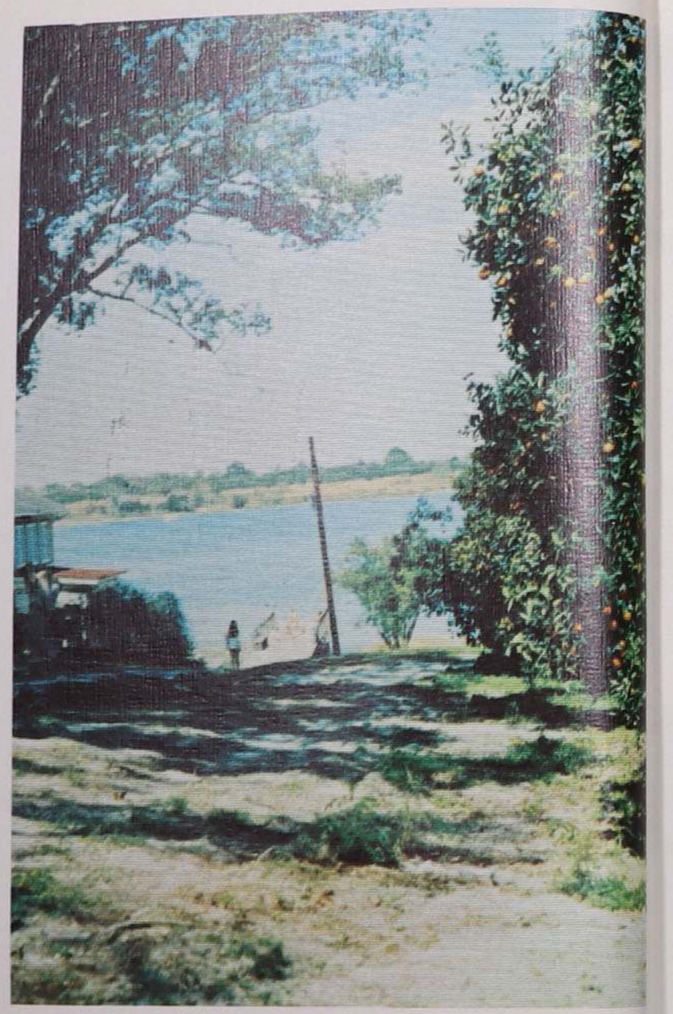


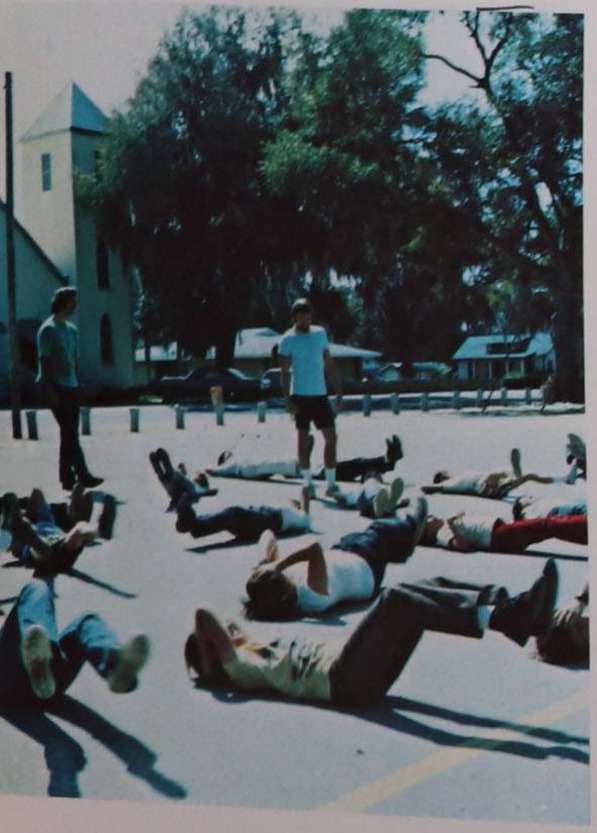


In my travels I have happened upon Saint Leo, tucked away in peace among orange groves and gentle hills. Somewhere in the midst of my luggage, I have brought my soul, carefully cushioned by its protections.



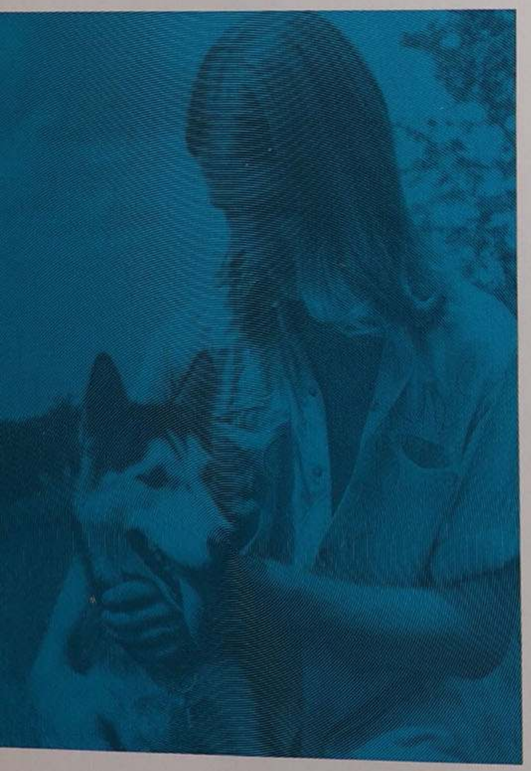


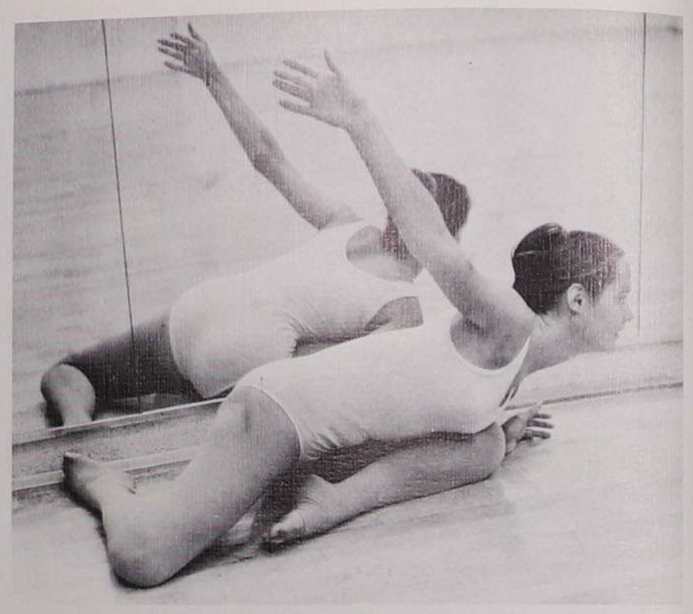




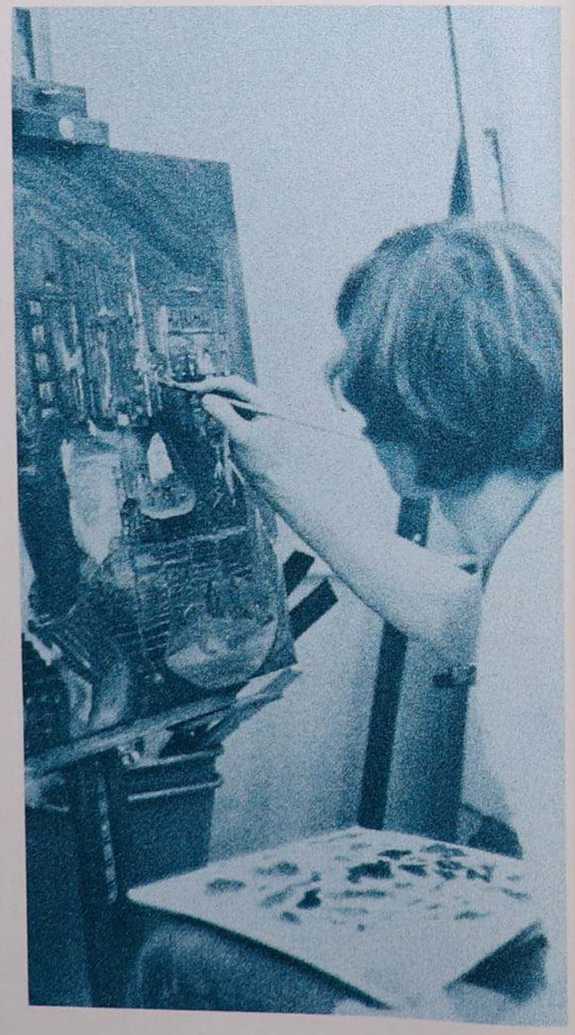
There is also my personal mask, brought to meet those like it. In silence we first greet each other, all of us hiding that secret being we know to be there. Months continue passing by and we share laughter and the external gifts of ourselves.

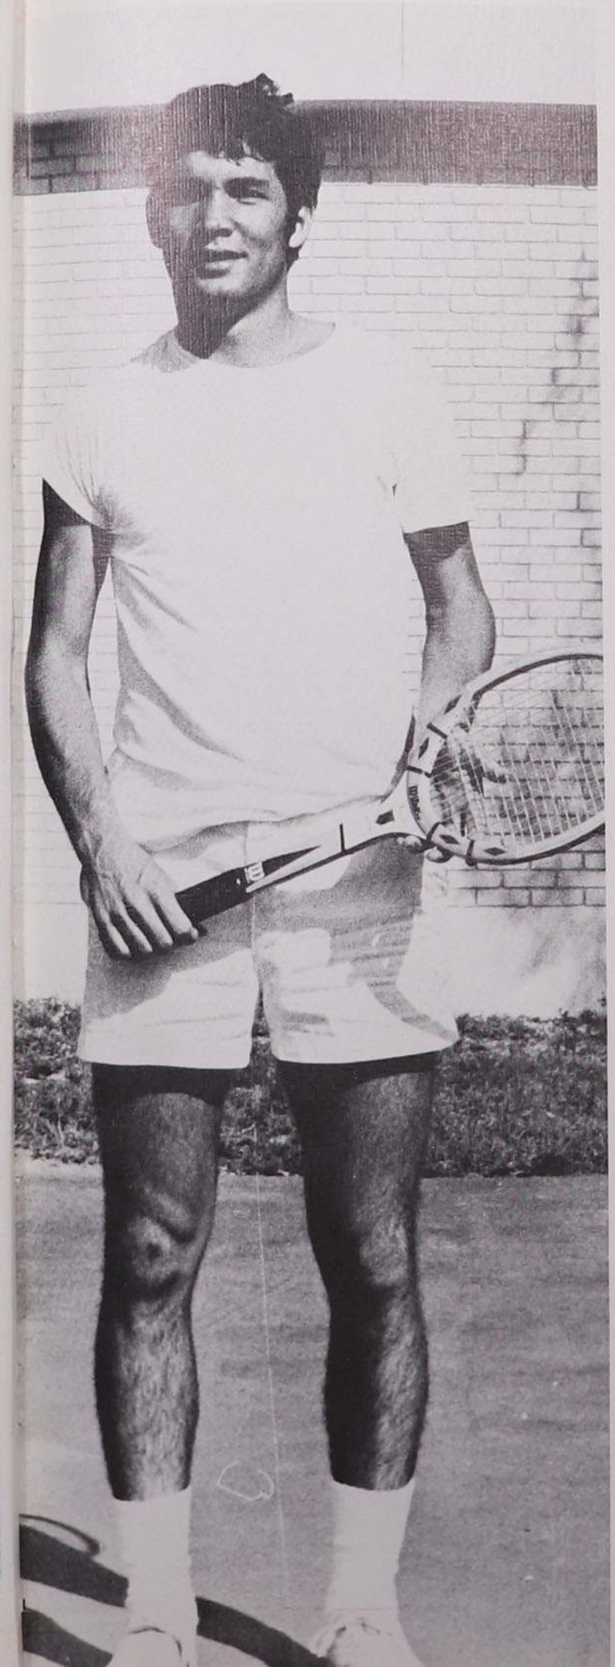
Occasionally, grief is the cause of our coming together. Inevitably, our soul protests to prison, in a plea to find a positive support from those we have wanted to love the most.



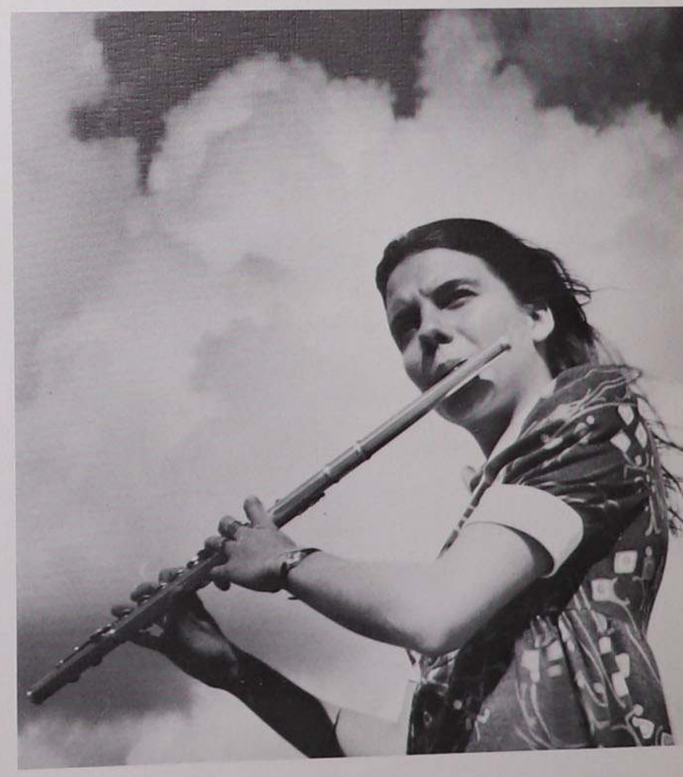


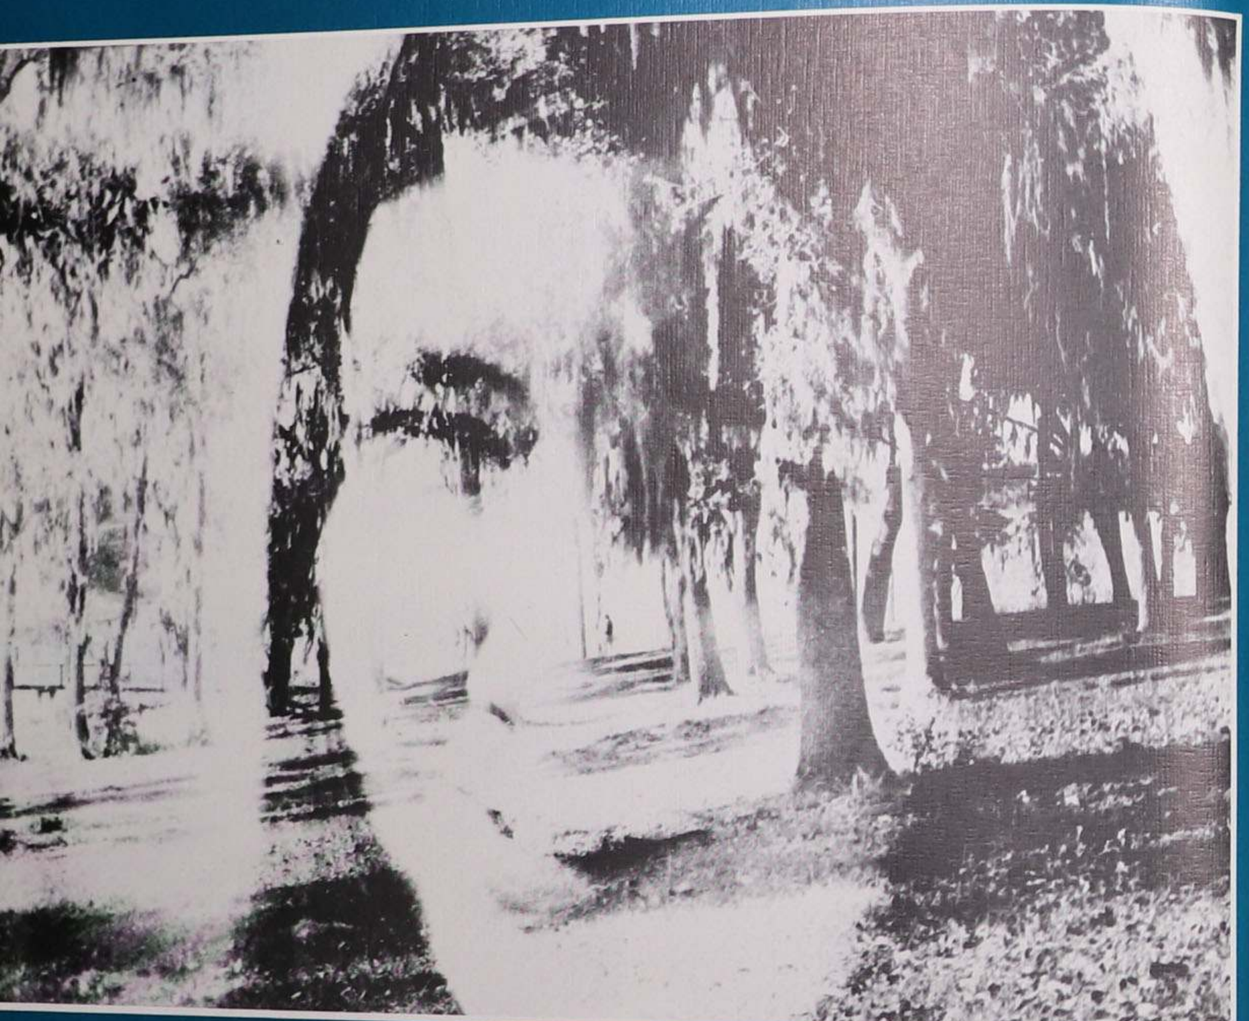
SELBY

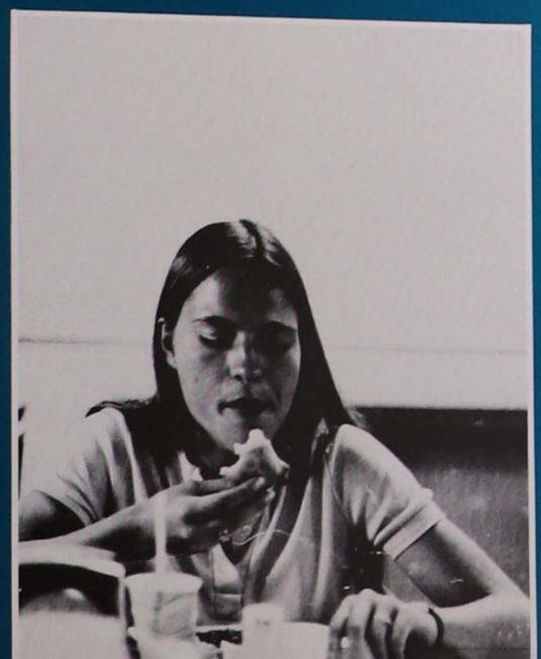


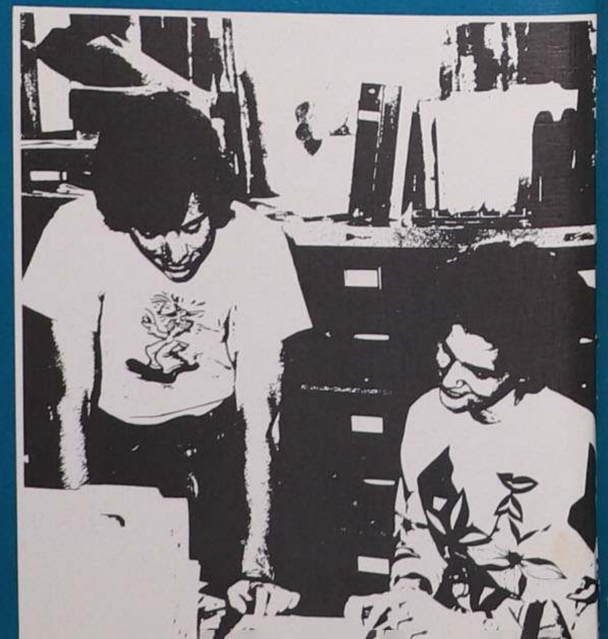


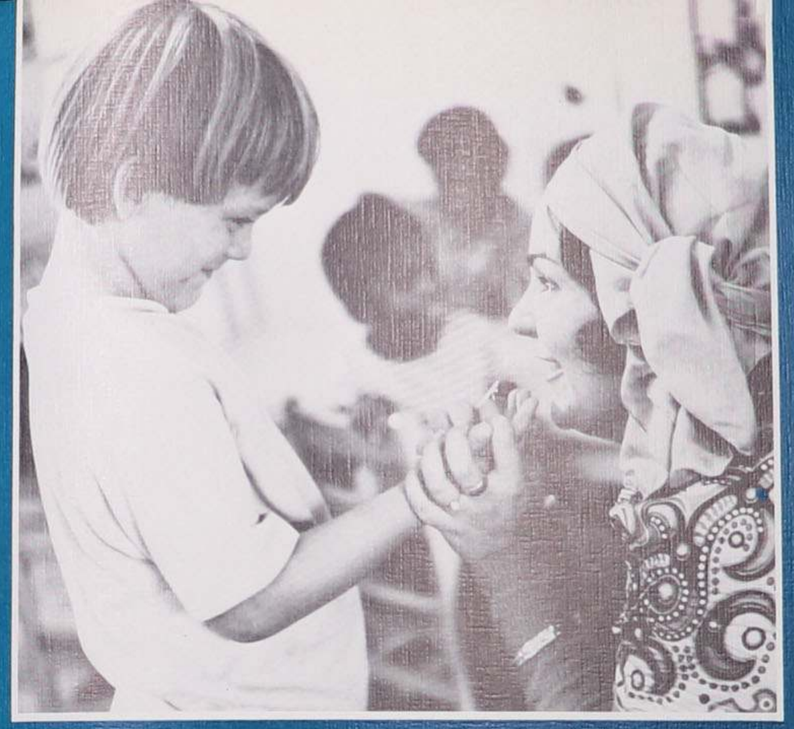
In whatever role we choose to play, there are those who applaud us from which we draw our strength.

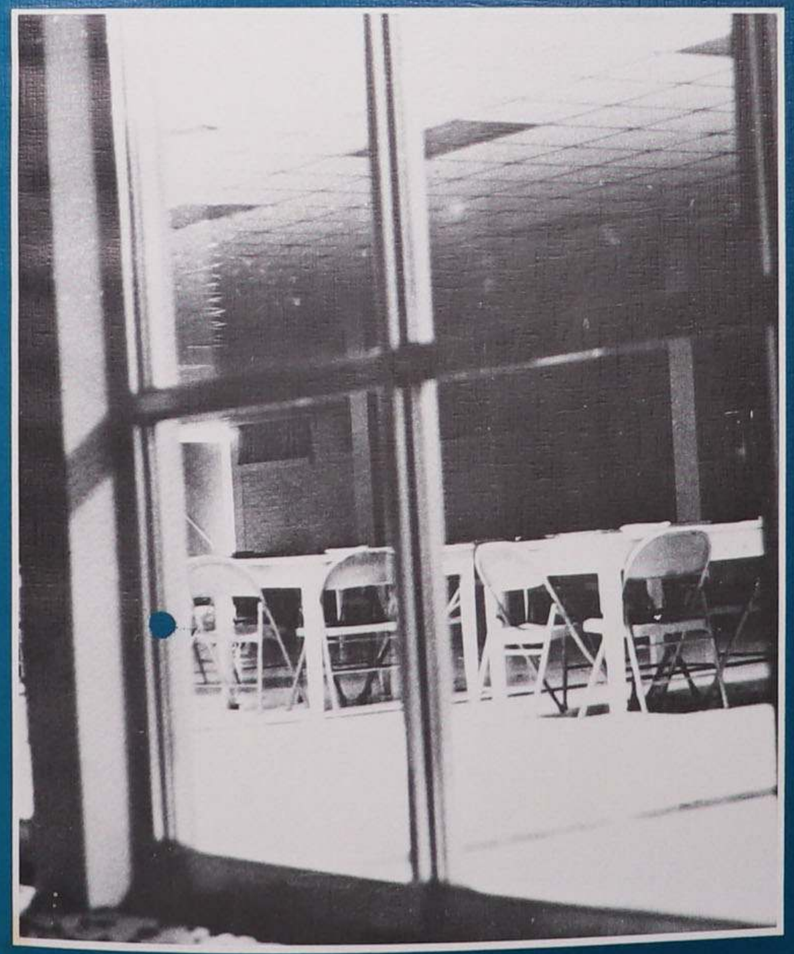












Eventually when we have lost some of the harshness of this permanent masquerade party, there comes the renewing over and over again of our discovering both the deep joy and sorrow of living found here, whether it be the present or behind us.

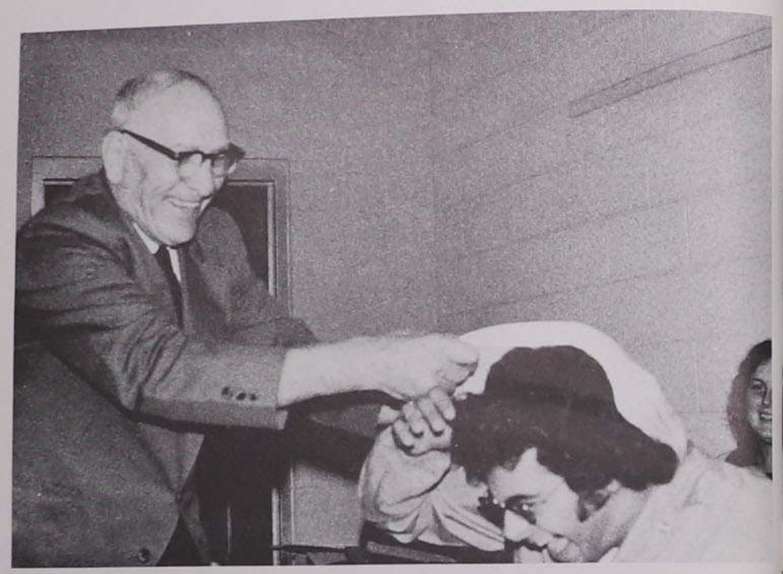
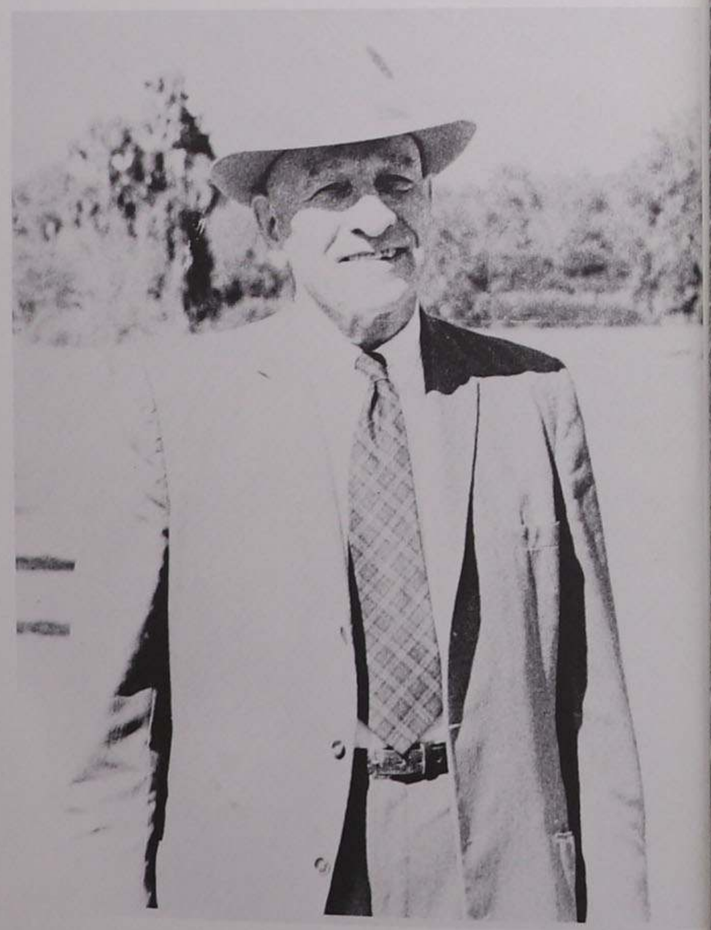
DR. M. L. HOWE

DIVISION OF LANGUAGE AND LITERATURE



A man dedicated, not only to teaching English but to helping St. Leo and all its students grow to their own true potential.



Doc Howe's famous hat . . . cheering on the basketball team, "get going ya crooks" . . . "come see me in my cell, I mean office" . . . Singing his way across campus . . . a smile, a laugh, a SMACK on the back . . .

You have touched us, not only with your mind, but with your heart, and for this we thank you.

To show our appreciation for all he has given to St. Leo, we sincerely dedicate Golden Legend, '73 to Dr. M. L. Howe.

Gamma Alpha Honor Society

The need for an honor society on the college campus this year proved to be of foremost concern to Ms. Rosa Fernandez and several coeds last fall.

With the guidance of a pilot group of organizers, Gamma Alpha Honor Society became a reality on April 3, 1973 with the approval and recognition of its constitution by the college authorities.

The aims of this group are to inspire academic achievement among its own members, and to provide service to the college community in an intellectual capacity.

Under the leadership of the five elected officers, the young women in Gamma Alpha hope to provide a great asset to the St. Leo College campus.

Cheerleaders

The spirit and enthusiasm of the cheerleaders brought the much needed support our soccer, football and basketball teams deserved.

Remembering the rallys, practices, "Onward On Saint Leo", the Atlanta road trip, and the response of the fans all added to a successful year.

Thanks go to Ms. Hertz, moderator, Deni DiMisa, captain, Diane Johnson, co-captain, and the rest of the squad for their support of this year's sports teams.

The soccer schedule of 8-4-1 this year has been one of the best ever. Coach John Swart, seniors Carmen Santoro, captain and All Conference, Bobby Baker, All Conference, Rick Ammean, Jimmy Crane, Bob Martin, and the rest of the squad can be commended for their good competition.

In remembering the events of the soccer months, "hot dog", end of the season's "everyone in the pool," Crane's party and Florida Southern (how could we ever forget!), added to make this past season a great one. By working together as a team, the victories always meant more.

For the first time since Saint Leo was a prep school, the campus could boast a football team.

To start club football after so many years took the coach and team a great deal of determination and courage. Coach Jo Sico and the squad had both.

Playing some of the toughest teams around still saw Saint Leo drive hard to the finish and never give up.

For this first at Saint Leo, we are all very proud of this particular team — and their dedicated work.

Homecoming

The first Alumni Homecoming was held during the half-time of the Westchester game. The candidates for Queen were chosen by the work each contributed to school. Two young women were chosen from each class.

Cindy Baker was selected Queen, and presented with flowers and her crown. Following the coronation, the karate team presented a fine exhibition.

At the conclusion of the game, all welcomed the Mad Hatters at the Cage for post-game festivities.

Karate

Karate is one sport at Saint Leo that has grown in popularity in recent years.

Both the Fosters and the team have put on some excellent demonstrations this past year.

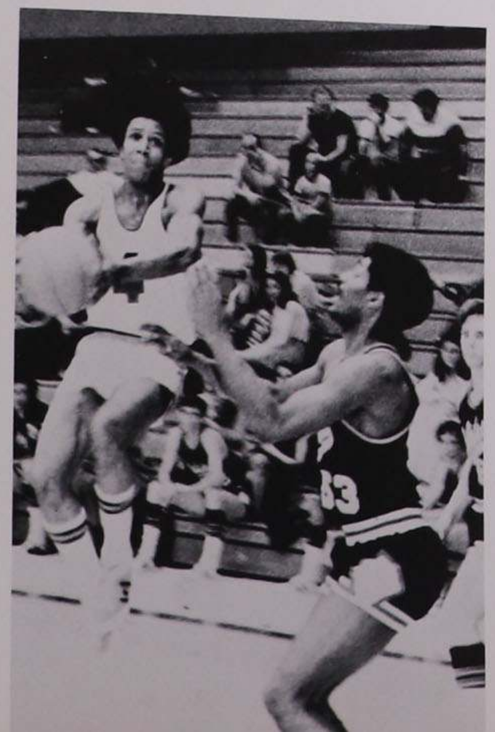
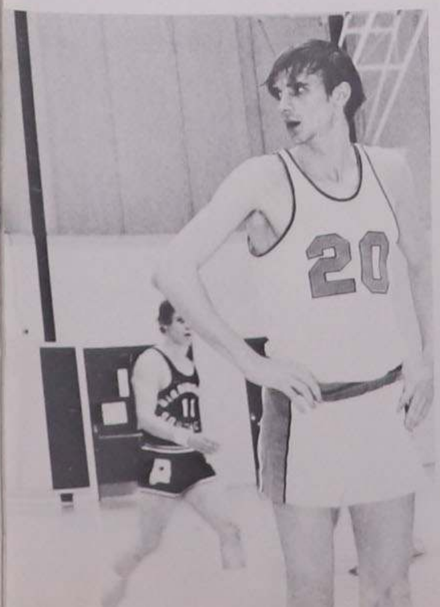
The basketball team this year went through their own trials and tribulations as the Monarchs closed their season with 12 wins and 13 losses.

Coach Norm Kaye and graduating players, Capt. Arnie and Daytona John, along with the rest of the team will always remember how they all contributed not only to the night the fans finally responded, but to a very interesting season.





Golf at Saint Leo has developed into quite a sport among those on campus.

Playing in many different tournaments and invitationals, the golf team made a good showing this year.

Coach Neal Earls, senior player Windy LaChappelle and the team have done well to gain Saint Leo recognition.

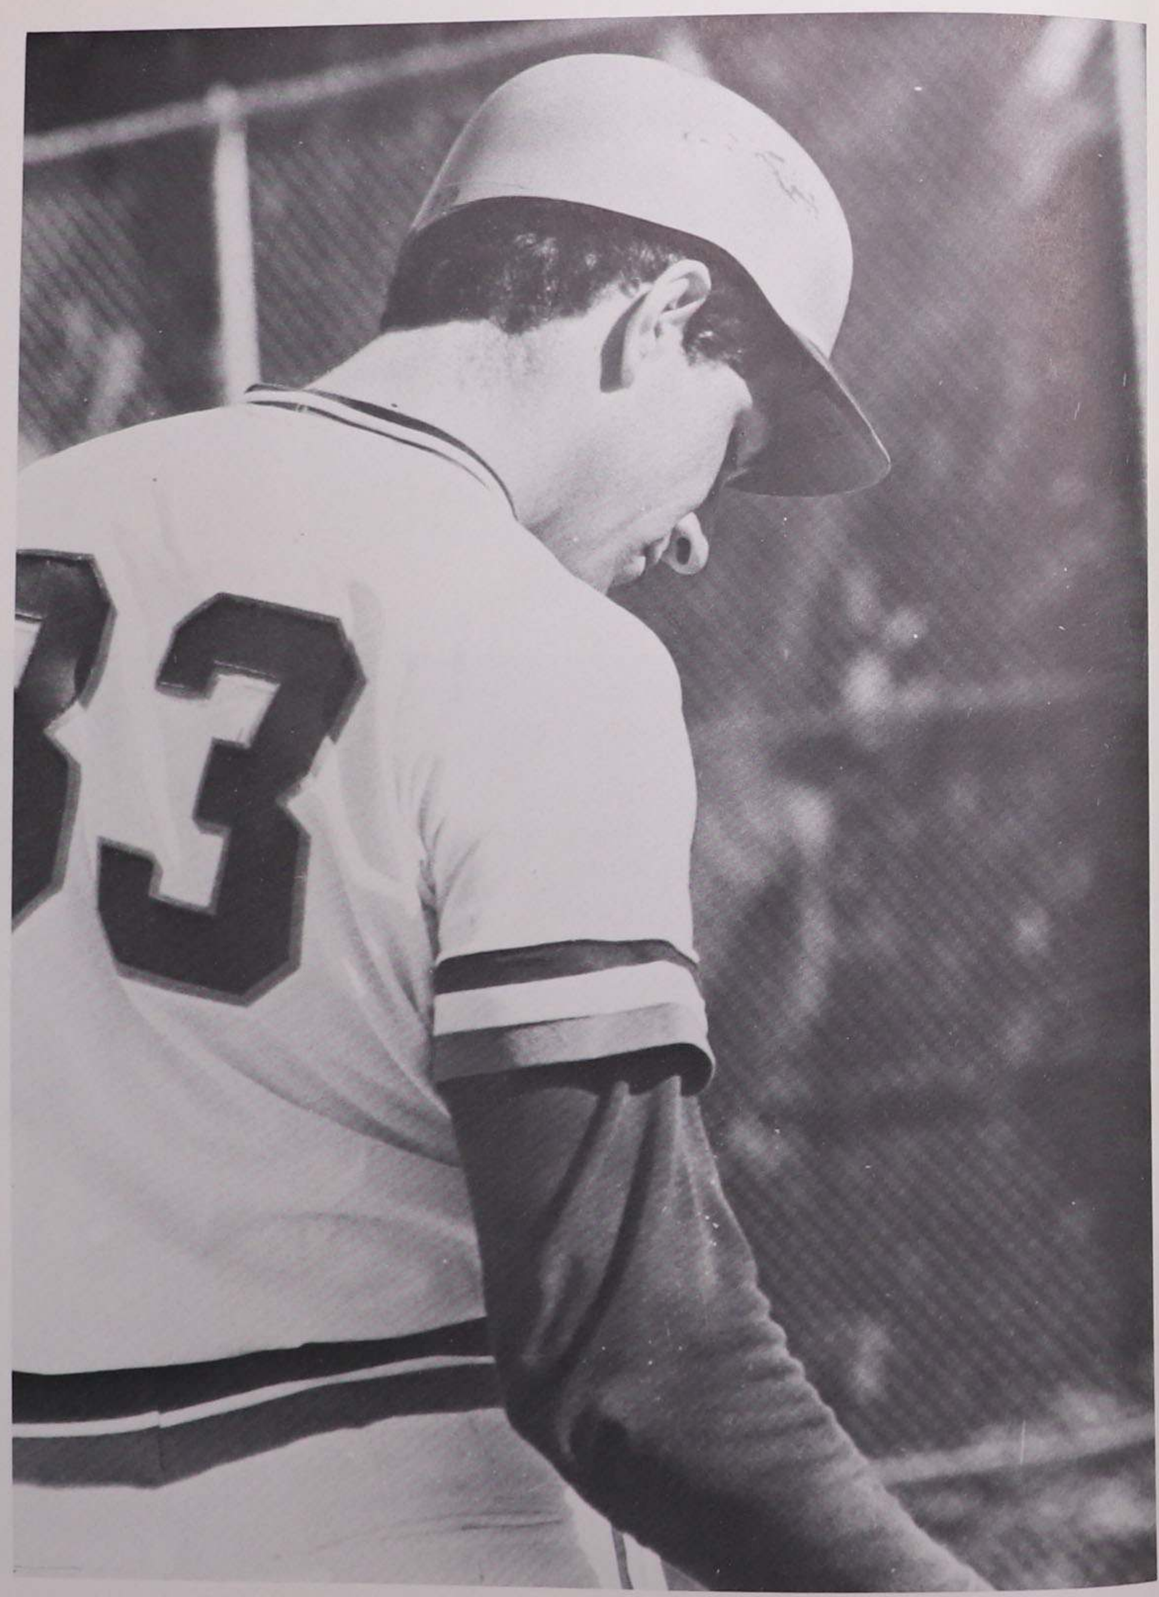
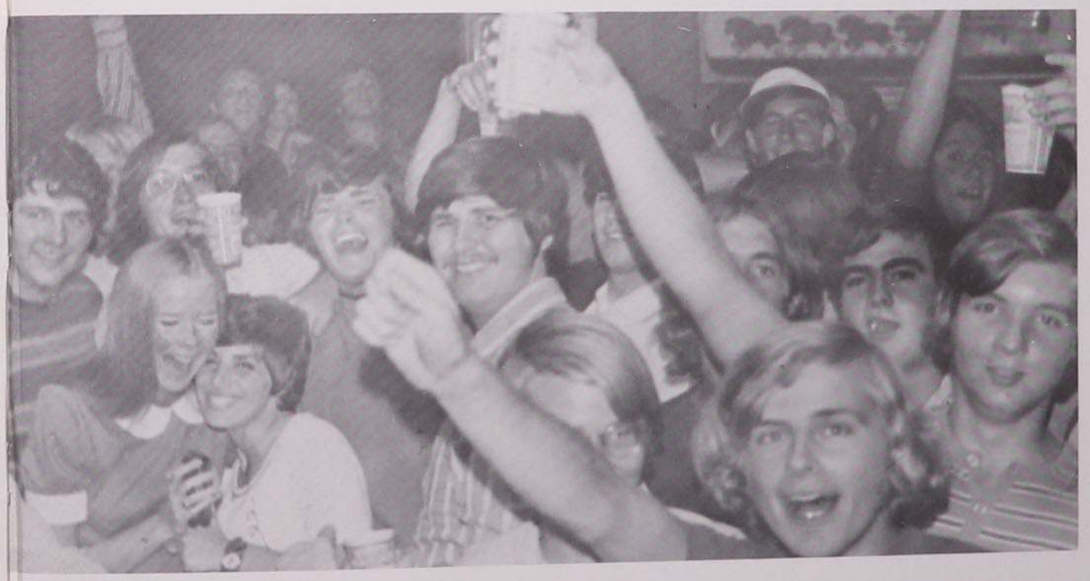
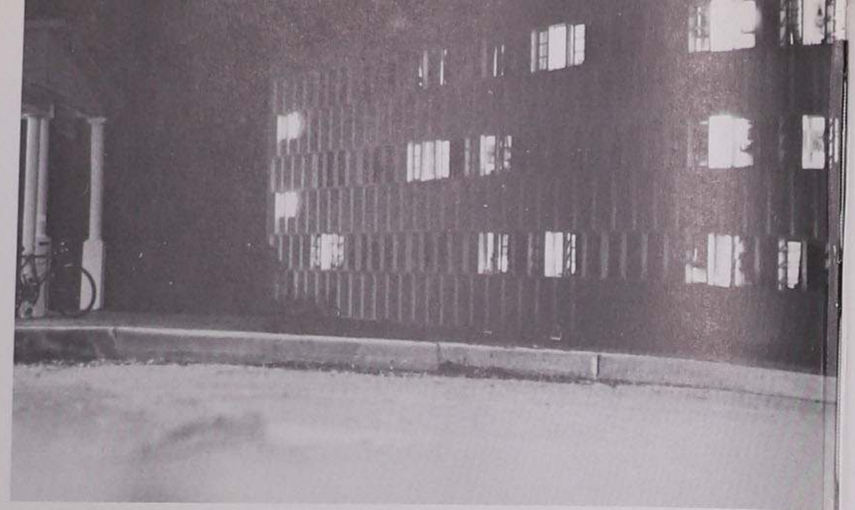
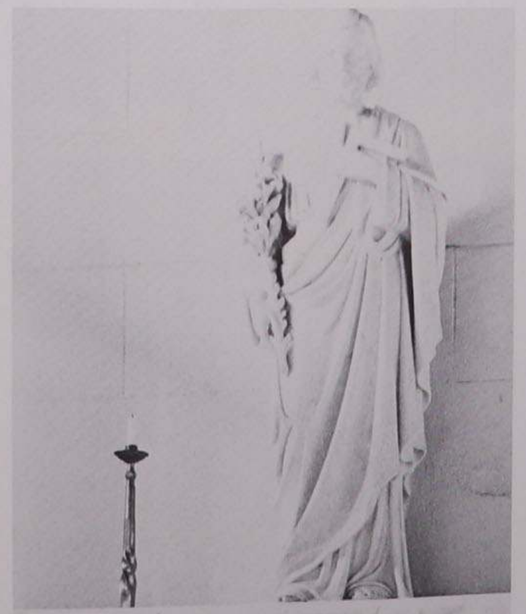
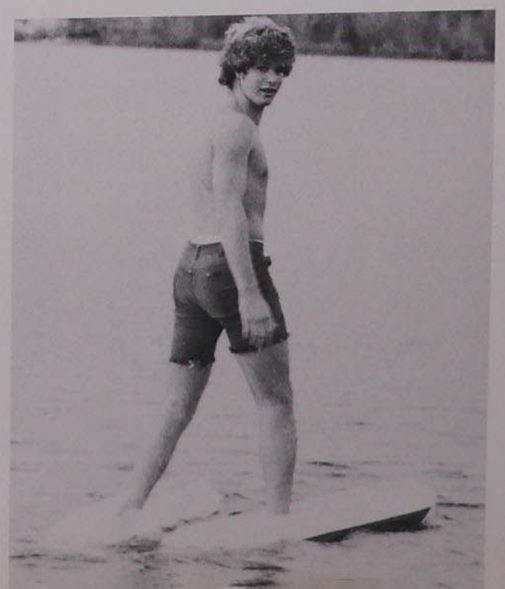
When we have finally reached that point where faces are no longer just faces, and the people here have become intertwined into our very selves, we are partially able to understand something of our own natures. With this knowledge, we may begin to realize how far we have come from being life's children, and how far we have yet to go.











Afterword

It has been my pleasure to work with a fine group of people this year who have been dedicated enough to give of their free time to assist in creating this volume of the GOLDEN LEGEND. My special thanks go out to Br. Bernard, savior and advisor, the Wisemans of Dade City for their part in our photography needs, and Ron Binns of Taylor Publishing Company for smoothing out all the rough edges. Many of the staff have been especially great with their cooperation, especially Marji, Peggy, Swak, John, Chris and Ursula, who were there when I needed them. The Student Affairs Staff for their moral support, and the Finance Office for their patience and understanding are to be commended.

I hope that this volume of the annual is enjoyable to those who have waited for it with interest, and that they will look kindly on any mistakes we failed to correct.

To those who cared enough about what was taking place in Rm. 114 St. Ed's, thank you for all your support. This unquestioning faith was perhaps the most important reward I as an individual could ask for, and I am confident that the next GOLDEN LEGEND editor will be deserving of it also.

Another edition has been added to the shelf, but its completion does not end the close group spirit and friendships that were created along with it.

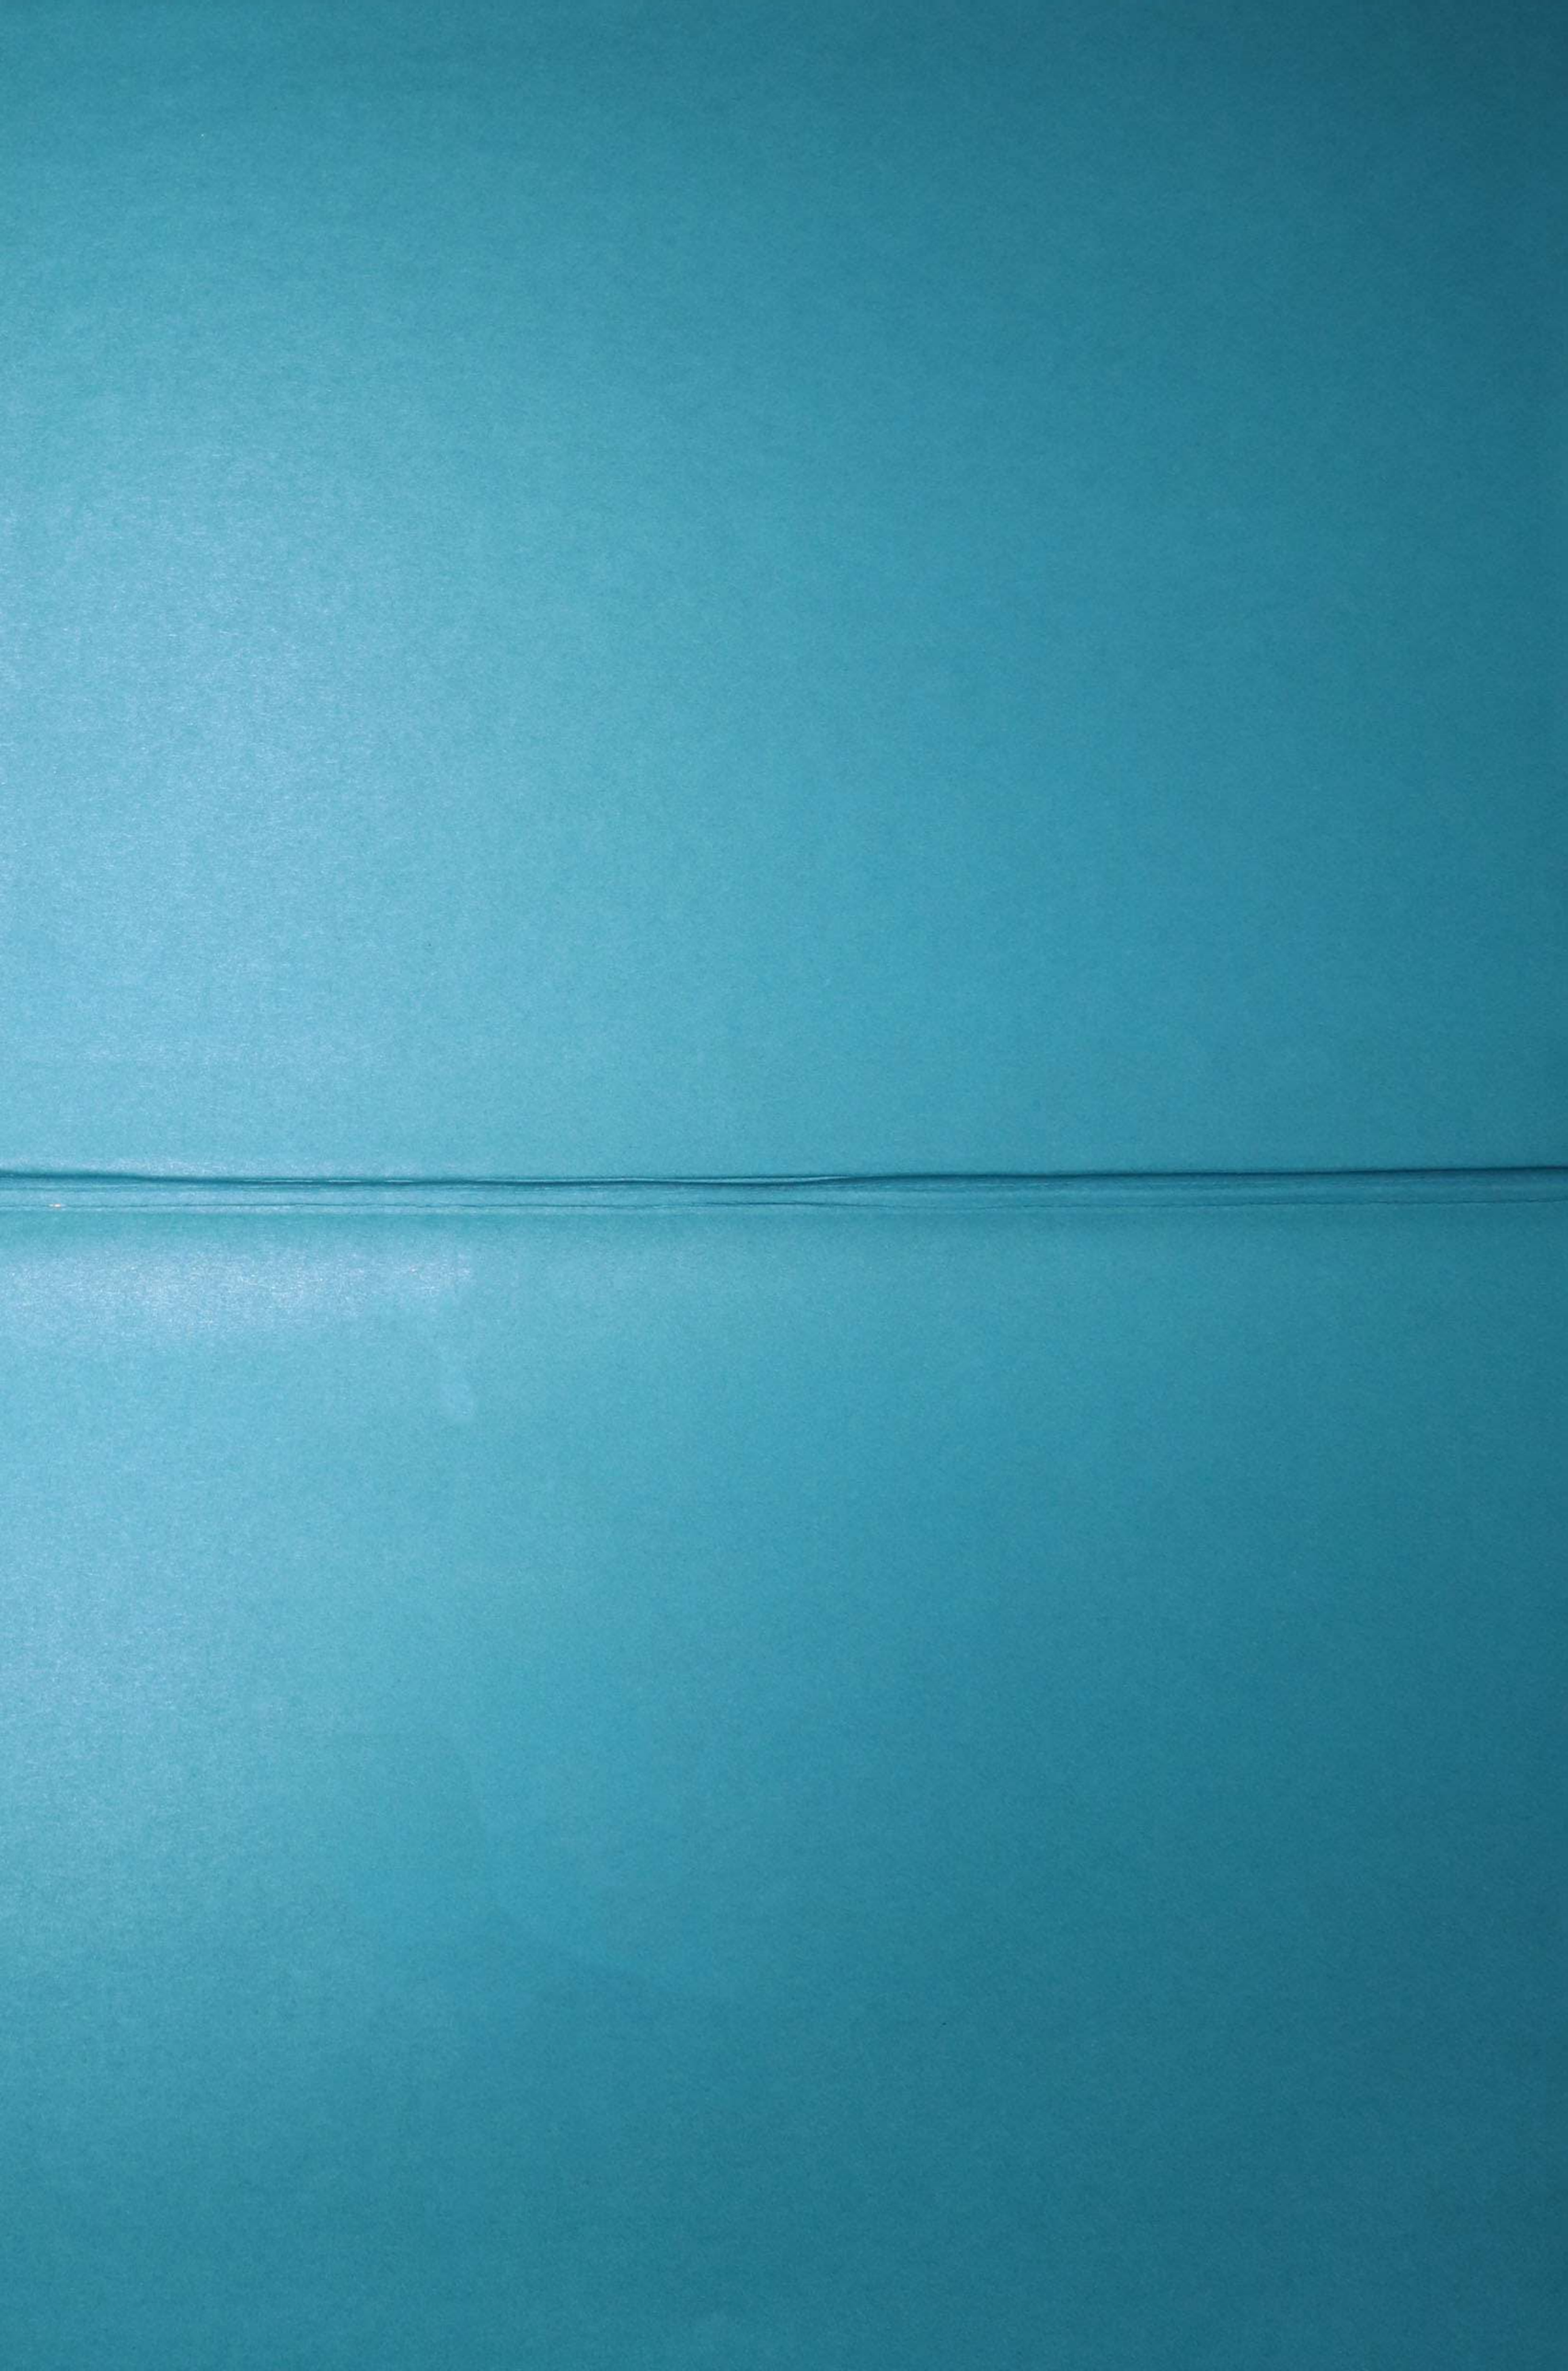
Love Song to the Class of 1973

I've seen you
before age began
and I found you
in the dark ghettos of my mind,
in the fire of my passion,
in the bright waters of my life,
and now you are gone
but I'll remember
through the eons
the presence of our love
here
within me.


Bernard, O.S.B.
